7. Release of Liability. We, on behalf of ourselves and our respective personal representatives, successors, assigns and heirs, hereby release, discharge and covenant not to sue or make any claim against, any of the Releasees and hereby waive any and all claims against the Releasees for any actions, demands, losses, damages, liabilities, costs, or expenses in connection with, arising out of, or related to the Participant's participation in or experiencing the Work, including, without limitation, the negligence of any of the Releasees as it relates to the Work or the Participant's experience therein.
8. Emergency Medical Care. We hereby authorize and consent to emergency medical care and transportation to obtain treatment for the Participant in case of injury, as Museum may deem appropriate. We expressly agree to be financially responsible for such care. The release of Releasees' liability in this Agreement extends to any liability arising out of or in any way connected with any such medical treatment and transportation or any failure to provide such treatment or transportation, or which arises out of the Participant's experiencing the Work.
