LACMA Library Subscriptions A-Z List

A&AePortal
A rich resource of ebooks and images originating from important art and architecture scholarship from leading university and museum publishers including out of print publications.

Art & Architecture Source (via EBSCOHost)
Art & Architecture Source is a bibliographic database that indexes and abstracts articles from periodicals published throughout the world. Full-text coverage for over 630 selected periodicals is also included. Periodical coverage includes English-language periodicals, yearbooks, and museum bulletins, as well as periodicals published in French, Italian, German, Japanese, Spanish, Dutch, and Swedish. In addition to articles, Art & Architecture Source indexes reproductions of works of art that appear in indexed periodicals. Indexing coverage begins in 1929 and selective full-text coverage is available from 1937.

Art History Research net (formerly Arts:Search)
Comprises the following four databases:
- ReVIEW – Provides full text of arts and architecture journals.
- Arts + Architecture ProFILES – Includes biographical data on over 40,000 artists, architects and designers.
- Design Abstracts Retrospective – Contains abstracts of decorative, applied arts and design journals published between 1900-1986.
- Research Sources: British & Irish Architecture and Decorative and Applied Arts 1850s to the 1930s – An ongoing project to digitize every book, exhibition catalogue, many of the journals and much of the trade literature on British and Irish architecture published in Britain and Ireland in the late nineteenth century and early years of the twentieth century.
- Research Sources: THE POSTER – Contains extensive information on the Poster, including: A History of the Poster: a Bibliographical and Online Survey; digitizations of the most of the significant books, exhibition catalogues and journals on the Poster published between 1890s-1920s; and an International Directory of Poster Collections.
