

## **CALDER AND ABSTRACTION: FROM AVANT-GARDE TO ICONIC ARCHITECT'S STATEMENT**

**Frank Gehry on Alexander Calder**

"I always remember the Calder show at the Guggenheim, NY, and how the work responded to the curves of the museum. It was spectacular. LACMA didn't have such a space for the show, so we designed one. I hoped to at least give the pieces their individual space let the architecture help reveal the dynamism of each piece."
