

THANK YOU TO THE CITIES OF THE HISTORIC LEVITATED MASS TRANSPORT!

FREE ADMISSION, JUNE 24–JULY 1

As a show of thanks to the many communities which saw and hosted the historic transport of the 340-ton boulder that is now part of Michael Heizer's *Levitated Mass* at LACMA, the museum is offering free admission to residents of select zip codes during the week of June 24 to July 1.

Simply show proof of residence in one of the below zip codes—for instance, a driver's license—at the LACMA ticket office, and you'll be granted free admission to all of our exhibitions and collection.
